In order to avoid any potential confusion, Applicants would like to point out that the after-final amendment (Amendment D) referred to on page 2 (line 12) of the Examiner's Answer was filed on March 15, 2007, and Applicants believe that it was received at the United States Patent & Trademark Office on March 19, 2007 (and not on April 2, 2007, as mentioned in the Examiner's Answer).
